

## Central Virginia Autism Action Group Resource Directory Updated January 2010

This Directory is the product of input from individuals, families, and representatives of public and private entities with an interest in increasing awareness of potential resources for individuals with autism spectrum conditions and their families.

Your feedback, suggestions, additions, and corrections to this Directory are very much appreciated!

As additional resources are identified, updates will be posted on the Commonwealth Autism Service website:  
[www.autismva.org/whatwedo/autismactiongroup](http://www.autismva.org/whatwedo/autismactiongroup)

To provide input, or to participate in a CVAAG meeting, please contact:  
Dottie Narodny, Lifespan Connection Coordinator,  
Commonwealth Autism Service  
[dnarodny@autismva.org](mailto:dnarodny@autismva.org) or 540-587-8990 ext 105

*For the user of this Directory: Please remember that not every Resource may be appropriate to your needs. The responsibility for determining the reliability or effectiveness of any Resource rests with you, the user of the Directory.*

*You are strongly encouraged to use independent judgment and request references when accessing any Resource associated with the provision of services related to autism spectrum conditions.*

*The information in the Resource Directory is provided as a service to the community and does not constitute a recommendation, referral, or endorsement of any resource, therapeutic method, or service by Commonwealth Autism Service and/or the participants in the Central Virginia Autism Action Group.*

### Mission Statement

The mission of Virginia's Autism Action Groups is to provide leadership in the implementation of a regional system of services and resources to maximize the potential and quality of life of individuals with autism spectrum disorders and their families throughout the lifespan.
